Intellectual Property

TSI clients seek experienced lateral attorneys, paralegals and support staff to augment their teams. TSI successfully places partners, associates and staff members in a wide range of private practice and corporate legal environments.

### Provides law firms/legal departments with flexibility

TSI associates find challenging opportunities in the practice areas best suited to their skills and experience. This outsourced model for engaging legal personnel is easily managed and provides measurable bottom line value for clients.

### Great way to “try-before-you-buy”

TSI is pleased to facilitate the conversion of temporarily assigned personnel to full-time status with TSI clients, when both the client and associate agree to employment. TSI’s clients can benefit from this model to “get to know” TSI’s legal personnel before making a commitment and investment.

### Since 1999 TSI has been a trusted staffing provider

TSI has extensive experience in recruiting, qualifying, deploying and managing staff augmentation services for clients around the world. It serves some of the largest Fortune 500 companies as well as a number of small and medium size organizations.
